

REGISTERING A 406MHZ BEACON IN THE IBRD

<https://406registration.com>

BEFORE YOU BEGIN – REQUIRED INFORMATION

Beacon Hex ID

Beacon owner information

Emergency Contact Information

TASKS TO COMPLETE

Create an account

Register your first beacon and provide emergency contact information

Add supplementary vehicle and activity information

Save your registration record and generate certificate of registration

STEP 1

Visit the IBRD website at
<https://406registration.com>

The screenshot shows the website's registration interface. At the top, the browser address bar displays 'staging.406registration-staging.com'. The website header includes the '406 IBRD COSPAS-SARSAT' logo and navigation links for 'HOME', 'Beacon Registration Contacts', and 'Approved Beacon Models (TACs)'. A language dropdown menu is set to 'English'. The main content area is split into two columns: 'Registering a beacon for the first time? Sign up for an account' and 'Already registered a beacon in the IBRD? Enter your credentials below to login'. The registration column features a satellite icon, a text prompt, and input fields for 'Hex ID' and 'Beacon checksum (optional)', with a 'Create Account' button. The login column features a radio tower icon, a text prompt, and input fields for 'Username' and 'Password', with a 'Login' button and a 'Forgot your password?' link. Below these columns is a 'Looking for help?' section with a 'View all FAQ's' link and four dark blue boxes containing frequently asked questions: 'What is a Hex ID, and where can I find mine?', 'How do I find my beacon type approval certificate (TAC) number?', 'How can I determine the country code of my beacon?', and 'How do I contact you if I have further questions?'.

STEP 2

Enter your Beacon Hex ID and click the “Create Account” button

Registering a beacon for the first time?
Sign up for an account

To register a beacon in the IBRD, you must first create an IBRD profile account.

Enter your Beacon Hex ID 

Beacon checksum (optional)

Create Account

STEP 3

Fill in the fields as indicated to create your IBRD account

[Show instructions](#)

Create a new IBRD Account

Complete the information below to create your IBRD profile account.

* required fields

Name * 

Address *  Zip / Postal Code * 

City *  State / Province *  Country * 

E-mail *  Communication Language * 

 I do not have an e-mail address that can be used for this purpose.

Username *  Password *  Confirm password * 

Phone Number *  Phone Number Type * 

 Add another Phone Number

Medical Information * 

Select a security question *

STEP 5

Accept the site use disclaimer

Important Notice:

You must agree to the following statements before entering or modifying any International Beacon Registration Database (IBRD) Registration Record.

Cospas-Sarsat is neither responsible nor liable for the accuracy of the data in the IBRD. The data provider is solely responsible for the accuracy of all the information entered into the IBRD.

Although the information provided will become a matter of public record, there is no intent to circulate the information furnished beyond its intended purpose, i.e., to assist SAR Services in carrying out their mission of search and rescue and false alert abatement and to the National Administration designated by the country code of the beacon.

Cospas-Sarsat will not be responsible for unauthorised access or unauthorised changes to IBRD registration data that may result from malicious activities. Cospas-Sarsat will, on a best effort basis, implement measures to protect the integrity of the data, however, Cospas-Sarsat does not guarantee that registration information will not be corrupted or lost.

Cospas-Sarsat accepts no liability for loss of life or property that may result from inaccurate or incomplete data.
