

PASSWORD RESET IN THE IBRD

<https://406registration.com>

BEFORE YOU BEGIN – REQUIRED INFORMATION

Username, or

E-mail address, or

Beacon Hex ID

STEP 1

Visit the IBRD website at
<https://406registration.com>

The screenshot shows the website's registration interface. At the top, there is a navigation bar with the logo '406 IBRD COSPAS-SARSAT INTERNATIONAL BEACON REGISTRATION DATABASE' on the left and links for 'HOME', 'Beacon Registration Contacts', 'Approved Beacon Models (TACs)', and 'Help' on the right. A language dropdown menu is set to 'English'. Below the navigation bar is a dark blue banner with the text 'WELCOME TO THE INTERNATIONAL 406MHZ BEACON REGISTRATION DATABASE'. The main content area is split into two columns. The left column is titled 'Registering a beacon for the first time? Sign up for an account' and features an icon of a satellite. It includes a text box for 'Hex ID', an optional 'Beacon checksum' field, and a red 'Create Account' button. The right column is titled 'Already registered a beacon in the IBRD? Enter your credentials below to login' and features an icon of a radio tower. It includes fields for 'Username' and 'Password', a red 'Login' button, and a link for 'Forgot your password?'. Below these columns is a 'Looking for help?' section with a link to 'View all FAQ's' and four dark blue boxes containing frequently asked questions: 'What is a Hex ID, and where can I find mine?', 'How do I find my beacon type approval certificate (TAC) number?', 'How can I determine the country code of my beacon?', and 'How do I contact you if I have further questions?'.

STEP 2

Click “Forgot your password?”

Already registered a beacon in the IBRD?
Enter your credentials below to login

Login to add a new beacon or update an existing IBRD account.
