The Swedish Seamen´s Service in Malmö provides a well-deserved break from the shipboard routines. We are situated in the sports facility Kockum Fritid, which vouches for a wide range of possible acitivities. Seafarers in port are offered transportation from the ship to the seamen´s club and back again. We can also arrange transports to attractions.

In *Frihamnen* (Freeport), we offer cruise ship crews free WiFi and a place to relax — the Seafarers' Drop-in Corner.
